	. [
		A sizable number of motor vehicles camouflaged moving in Deutsch Wagram-Strasshof, Wiener New Aspern (P 49/X 49).	d by twigs were observed ustadt (0 43/X 34), and
	6.		iG-15s and 12 Pe-2s
		were observed at the field. There was a north- of about 15 km/h, a 5/10 overcast at about 2,	-northeasterly wind
		<u>visibility</u> . There was air activity by three Mi	iG-15s
25X1		which took off at intervals of 2 to 3 min for 30 to 40 minutes. About 20 minutes after i	nutes and remained aloft
25X1		again took off. The planes had no auxiliary for	uel tanks. A radio truck
		with four parallel directional antennas on the 50 meters from the runway. A tent was seen about	roof was parked about out 15 neters from the
		radio truck. ²	
	7.		ers and reinforced by
		black angular irons at their corners, were sto repair shop. A device packed in straw was lift	ored near the aircraft
25X1		means of a pulley.4 Trucks	
25X1		with drivers with black-bordered blue epaulets repair shop. Sixteen trucks, 3 van-like trucks	were parked at the aircraft and A tank trucks were
20/(1		observed in the motor pool. Motor vehicles obs	erved outside the installation
25X1		included 2 prime movers, 2 trucks	and 4 tank
		wearing black-bordered blue epaulots, apparent truck in front of No 3 Bahnhof St	ly made a test ride on
25X1		driver wearing black-bordered blue epaulets wa	s parked in front of the
0574		komendatura. Two jeeps and a truck were observed opposite the komendatura in which truck	ed in the yard of a building entered. On the roof
25X1		of the building, there was a mast with five gu	y wires and on the masthead
		a cross bar with six mounted wires. The road l	eacing from this house to ck-bordered blue epaulets.
25X1		On this road a van-like truck and a small black license plate with 6 to 8 sm	with a sheet metal superstructure
		cautiously, apparently carrying a heavy load.	A senior lieutement wearing
25X1		blue service color and carrying a welder's mas	k descended from the truck.
	3.	The cantonment in Strasshof was lightly occupi	ed by personnel who wore
		black-bor ered blue epaulets. A sentry wearing was rosted at the cantonment on the edge of the	black-bordered blue opaulets a woods. Three van-like trucks.
25X1		4 tank trucks and 26 trucks	with
		drivers wearing black-bordered blue enaulets, which was frequented by soldiers wearing black	were observed in the cantonnentbordered blue or red-bordered
25X1		black epaulets. Trucks	with drivers wearing
		black-bordered blue epaulets, were parked in f headquarters which was guarded by sentries wit	h black-bordered blue enaulets.
		Just south of this headquarters there was the which was frequented by male and female person	so-called smaller headquarters
		epaulets. A truck was observed in the yard of	this building.
